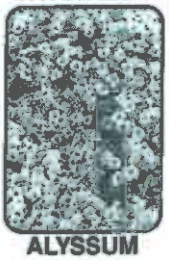
PLANT DIRECTORY

ANNUAL PACKS OF 4—12 PACKS PER FLAT

SNOW CRYSTALS™



ALYSSUM

SNOW CRYSTALS™

Ht. 6" (15cm)
Sp. 9" (23cm)

Outperforms others of its kind with sizable clusters of perfumed blooms.
USES: Spills beautifully over container edges. Tidily fills in borders and rock gardens.
CARE: Thrives in light, well-drained soil. Provide water when soil is slightly dry.

BALSAM

BALSAM

Ht. 8-12" (20-30cm)
Sp. 9" (23cm)

Produces richly colored blooms that resemble miniature roses.
USES: Wonderful for borders, beds, window boxes and containers.
CARE: Best in fertile, well-drained soil kept evenly moist.

COCKTAIL™ VODKA™

BEGONIA
Fibrous Root

COCKTAIL™ VODKA™

Ht. 8" (20cm)
Sp. 9" (23cm)

Unwavering bloomer, celebrated by landscapers and home gardeners alike.
USES: Adapts nicely in sunny or shady borders, beds or containers.
CARE: Well-drained soil kept slightly moist. Provide extra water in sunny areas.

F1 Hybrid

LEADERS Blue

Browallia

Blue

Ht. 6-24" (15-60cm)
Sp. 8-10" (20-25cm)

Provides an abundance of brightly colored blooms all season long.
USES: Perfect for beds, borders and containers.
CARE: Best in fertile, well-drained soil kept evenly moist.

'CAREFREE MIX'

COLEUS

'CAREFREE MIX'

Ht. 12" (30cm)
Sp. 9" (23cm)

Lively foliage shaped like oak leaves in colors of jade, gold, red, and pastels.
USES: Wonderful for borders, beds, window boxes and containers.
CARE: Best in fertile, well-drained soil kept evenly moist.

'BLACK DRAGON'

COLEUS

'BLACK DRAGON'

Ht. 12" (30cm)
Sp. 9" (23cm)

Provides a brilliant display of rosy-red leaves with deep purple edges.
USES: Wonderful for borders, beds, window boxes and containers.
CARE: Best in fertile, well-drained soil kept evenly moist.

'IDEAL MAGICAL MIX'

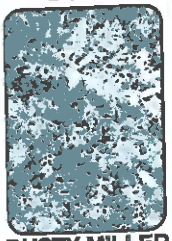
DIANTHUS

'IDEAL MAGICAL MIX'

Ht. 8-10" (20-25cm)
Sp. 9" (23cm)

Masses of richly colored, velvety flowers all summer long.
USES: Perfect for beds, borders and containers.
CARE: Plant in ordinary, well-drained soil. Remove faded flowers.

'SILVER DUST'



DUSTY MILLER

'SILVER DUST'

Ht. 10-12" (25-30cm)
Sp. 12" (30cm)

Try this unique foliage for a change of pace in your garden!
USES: Mingle among plants with dark flowers or leaves for contrast.
CARE: Tolerates hot, dry conditions. Plant in ordinary, well-drained soil.

ACCENT™ MIX

IMPATIENS

Goldsmith

ACCENT™ MIX

Ht. 10-12" (25-30cm)
Sp. 9" (23cm)

Provides an abundance of brightly colored blooms all season long.
USES: Wonderful for borders, beds, window boxes and containers.
CARE: Best in fertile, well-drained soil kept evenly moist.

ACCENT™ LAVENDER BLUE

IMPATIENS

Goldsmith

ACCENT™ LAVENDER BLUE

PART SHADE TO SHADE
Ht. 10-12" (25-30cm)
Sp. 10-12" (25-30cm)

This selection exhibits great "fill-in" capability and a profusion of blooms.
USES: Wonderful for borders, beds, window boxes and containers.
CARE: Best in fertile, well-drained soil kept evenly moist.

ACCENT™ RED

IMPATIENS

Goldsmith

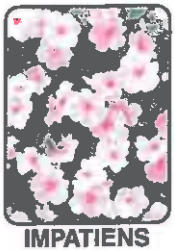
ACCENT™ RED

Ht. 10-12" (25-30cm)
Sp. 9" (23cm)

Provides an abundance of brightly colored blooms all season long.
USES: Wonderful for borders, beds, window boxes and containers.
CARE: Best in fertile, well-drained soil kept evenly moist.

F1 Hybrid

ACCENT™ PINK



IMPATIENS

Goldsmith

ACCENT™ PINK

PART SHADE TO SHAI
Ht. 10-12" (25-30cm
Sp. 10-12" (25-30cm

This selection exhibits great "fill-in" capability and a profusion of blooms.
USES: Wonderful for borders, beds, windo
boxes and containers
CARE: Best in fertile well-drained soil kept evenly moist.

'REGATTA MARINE BLUE'

LOBELIA

'REGATTA MARINE BLUE'

Ht. 6-8" (15-20cm)
Sp. 10-12" (25-30cm)

Flowing masses of colorful flowers on freely trailing plants.
USES: Wonderful for borders, beds, window boxes and containers.
CARE: Best in fertile, well-drained soil kept evenly moist.

'RIVIERA MARINE BLUE'

LOBELIA

'RIVIERA MARINE BLUE'

Ht. 4-6" (10-15cm)
Sp. 8" (20cm)

Striking color contrasts with other flowers!
USES: Wonderful for borders, beds, window boxes and containers.
CARE: Best in fertile, well-drained soil kept evenly moist.

LITTLE HERO® MIX

MARIGOLD
French Dwarf

LITTLE HERO® MIX

Ht. 6-8" (15-20cm)
Sp. 9" (23cm)

A familiar source of warm color in the garden.
USES: Wonderful for borders, beds, window boxes and containers.
CARE: Best in fertile, well-drained soil kept evenly moist.

'SAFARI MIX'

MARIGOLD
French Dwarf

'SAFARI MIX'

Ht. 8-10" (20-25cm)
Sp. 9" (23cm)

Extra-large, bright flowers provide continuous summer color.
USES: Wonderful for borders, beds, window boxes and containers.
CARE: Best in fertile, well-drained soil kept evenly moist.

ANNUAL PACKS OF 4—12 PACKS PER FLAT

'MAGNUM BLOTCH MIX'

PANSY

'MAGNUM BLOTCH MIX'

Ht. 8" (20cm)
Sp. 8-12" (20-30cm)

Compact mounds of colorful, dainty flowers.
USES: Wonderful for borders, beds, window boxes and containers.
CARE: Best in fertile, well-drained soil kept evenly moist.

F1 Hybrid

'CARPET MIX'

PETUNIA
Multiflora

'CARPET MIX'

Ht. 10-12" (25-30cm)
Sp. 9" (23cm)

Dependable, compact plant provides a non-stop carpet of color.
USES: Wonderful for borders, beds, window boxes and containers.
CARE: Best in fertile, well-drained soil kept evenly moist.

F1 Hybrid

'CARPET RED'

PETUNIA
Multiflora

'CARPET RED'

Ht. 10-12" (25-30cm)
Sp. 9" (23cm)

Provides an abundance of brightly colored blooms all season long.
USES: Wonderful for borders, beds, window boxes and containers.
CARE: Best in fertile, well-drained soil kept evenly moist.

F1 Hybrid

'CARPET WHITE'

PETUNIA
Multiflora

'CARPET PLUM'

PETUNIA
Multiflora

'SUNDIAL MIX'

PORTULACA

FULL SUN

'SUNDIAL MIX'

Ht. 4" (10cm)
Sp. 8" (20cm)

The vividly colored flowers of Portulaca thrive under the worst conditions.
USES: Perfectly sized for border fronts, rock gardens or containers.
CARE: This selection grows vigorously, even in poor, sandy soil.

F1 Hybrid

CHIMES™ MIX

SNAPDRAGON

CHIMES™ MIX

Ht. 6-8" (15-20cm)
Sp. 6-8" (15-20cm)

Dwarf variety produces vibrant spikes of colorful flowers.
USES: Perfect for beds, borders and containers.
CARE: Prefers fertile, sharply drained soil. Remove faded flowers.

'QUARTZ MIX'

VERBENA

FULL SUN

'QUARTZ MIX'

Ht. 10-12" (25-30cm)
Sp. 15" (40cm)

The large flower clusters on this low-fuss plant add a pop of color.
USES: Looks great spilling over container edges or incorporated into flower beds
CARE: A heat tolerant selection. Best in fertile, well-drained soil.

'PROFUSION FIVE COLOR MIX'

ZINNIA

'PROFUSION FIVE COLOR MIX'

Ht. 12-18" (30-45cm)
Sp. 10-12" (25-30cm)

Compact plant produces vibrantly colored blooms until frost.
USES: Wonderful for borders, beds, window boxes and containers.
CARE: Best in fertile, well-drained soil kept evenly moist.

INDIVIDUALLY POTTED 4" ANNUALS - 18 POTS PER FLAT

HEIGHT 10" (25cm)
SPACE 18-30" (45-75cm)

FEATURES Aromatic, variegated foliage provides a treat for the senses. Touchable texture is an added bonus.

DESIGN TIPS Trailing plants are the final "accessory" in a planting arrangement. They fill in gaps, soften edges and tie all the elements together for a truly finished look. Try them in beds, containers, baskets and window boxes.

CARE TIPS Performs best in humus-rich soil kept evenly moist. Pinch for fuller growth. Fertilize every few weeks for a truly lush display.

NATIVE PERENNIALS - INDIVIDUAL 4" POTS

LIGHT: Sun to Part Shade
HEIGHT: 12-18" (30-45cm)
SPACING: 12-18" (30-45cm)
BLOOMS: Spring and early summer
HABITAT: Prairie, Woodland

FEATURES A perennial favorite commonly found growing in moist woodlands and along forest edges. Displays beautiful, deeply divided, green foliage and cup-shaped pink or white flowers in spring and early summer.

CARE Prefers moist, humus-rich, well-drained soil in partial shade. Will tolerate more sun with moisture but goes dormant in drought conditions.

Wild Geranium

LIGHT: Full Sun
HEIGHT: 24-42" (60-105cm)
SPACING: 24" (60cm)
BLOOMS: Mid-to-late summer
HABITAT: Prairie

FEATURES Very attractive annual of the tallgrass prairie. Native on disturbed sites. Freely reseeds itself until soil fully stabilized. Good background for annual flower gardens. Photo courtesy of Jennifer Anderson @ USDA-NRCS PLANTS Database.

CARE Thrives in nearly any type of soil, but does best in light, well-drained soil. Water regularly until established.

Partridge Pea

LIGHT: Sun to Part Shade
HEIGHT: 8-32" (20-80cm)
SPACING: 12" (30cm)
BLOOMS: Early and midsummer
HABITAT: Wetland

FEATURES This beautiful native flower of wet meadows and marshes forms large clumps of sword-shaped leaves topped with delicate blue-violet flowers. Blooms from early to midsummer.

CARE Requires damp to wet soil. Will thrive in shallow water where they will achieve the greatest height. Remove seed capsules to prevent self-seeding.

Northern Blue Flag

LIGHT: Sun to Part Shade
HEIGHT: 2-5' (.6-1.5m)
SPACING: 18" (45cm)
BLOOMS: Summer
HABITAT: Prairie

FEATURES Perennial wildflower with deep red, tubular-shaped flowers that flare out into a star. Blooms appear in summer and are an important nectar source for butterflies and hummingbirds.

CARE Grow in full sun or light, dappled shade in very well-drained soil. Will grow in sandy soil and gravel.

Royal Catchfly

MN HARDY PERENNIALS - INDIVIDUAL 4" POTS

'SONGBIRD MIX'

COLUMBINE
Aquilegia Hybrid

'SONGBIRD MIX'

Ht. 14-24" (35-60cm)
Sp. 10-14" (25-35cm)

An elegant, long-season display of showy blooms.
FLOWERS: Late spring and early summer
CARE: Best in fertile, humus-rich, well-drained soil.

FRINGED BLEEDING HEART

Dicentra eximia

FRINGED BLEEDING HEART

Sp. 12-18" (30-45cm)

Fern-like foliage combines well with dainty, heart-shaped flowers.
FLOWERS: Late spring and early summer
CARE: Grow in fertile, humus-rich, well-drained soil.
